Expressions of J. J. Pearce High School

Foreword

Each year new students, teachers, and activities bring many unique memories to J. J. Pearce High School. Unless the memories are recorded, they will eventually fade. This year the Mustang staff has worked hard to capture the many phases of high school life: academics, activities, organizations, and fine arts. The staff hopes that because of their efforts you will be able to recall this year, and remember it as being most successful.

Student Council

Many attended the "Howdy Dance" sponsored by the student council.

The Pearce Student Council, sponsored by Mrs. Scheer, met every Tuesday during homeroom period. Representatives and alternates were elected at the beginning of the 68-69 school year. The members worked hard this year to make activities, such as a Howdy Dance, Christmas Dance and J. J. Pearce Day, a success. Participation in various meetings and conventions enabled the officers to lead the organization more efficiently. The objective of the student council is to work in cooperation with the administration in making Pearce a better school.

By selling ribbons, spirit buttons, decals, and pendants and performing at half-time, the Pacesetters have promoted school spirit. Several of their routines, among them the "jazz military," and "high-kick," were performed with the expert sharpness that has made this organization outstanding. Others required the use of pompons, hats, and canes.

Mustangs End Season

2-8

The Forney Jackrabbits proved to be too tough for the hustling Mustangs. Forney scored first to make it 7-0. The Ponies came right back with their touchdown. Mark Smallwood took it over from the three. The varsity didn't come to tie, and the pass for the two points was too high for Hobson Reynolds. The final Forney touchdown came after the Mustangs failed to gain the necessary yardage from their own nineteen. The Rabbits took it over as the clock showed 5 seconds remaining. The extra points were stopped short.

Richard Long sees a little daylight through Bonham's line.

Hobson Reynolds stops Grapevine the hard way.

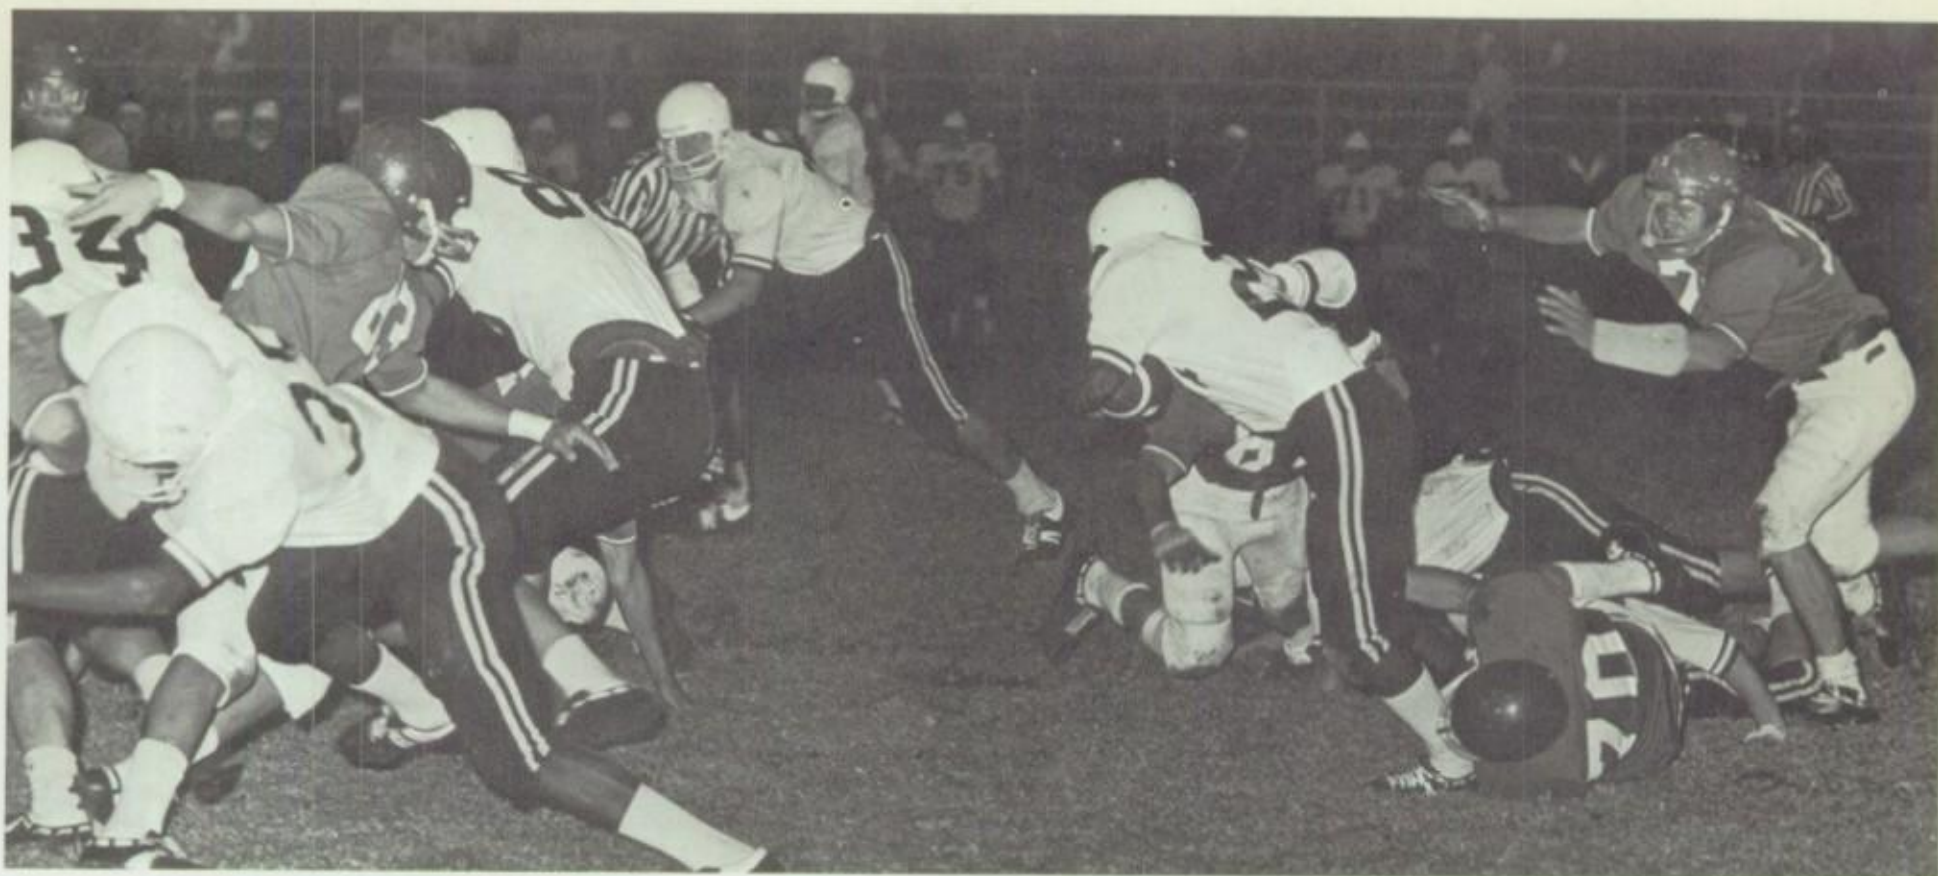

The Pearce Mustangs never gave up, but the Grapevine varsity proved to be too formidable to contain. At the end of the half score stood 15-0. As the Ponies began to tire, Grapevine came on strong and the game ended 35-0.

Mustangs Dignan, Young, and McCord wait patiently on the sidelines.

The fighting Mustangs seemed to be holding their own against the Lewisville Farmers in the last game of the season. The score held at 0-0 until the third quarter. It was then that Lewisville's experience began to tell. Despite the muddy weather the Farmers scored three touchdowns with the extra points good, to win the game 21-0.

The Mustang defense is on the move at the Plano Game.

Powerful Wildcats Defeat Battling Mustangs 28-0

"Fierce Pearce" put up a good fight, but the Plano Wildcats proved to be too tough. Taking into consideration that they were holding the defending state champs, the defense should be credited with a valiant effort. The Wildcats however, refused to allow the Mustang offense to get near the goal line.

The Mustang B-Team can be summed up in one word - "hustle." The fine boys that took part should be given a lot of credit for a job well done. Under the direction of Coaches McKenzie and Pullias, the players have matured into great prospects for varsity material.

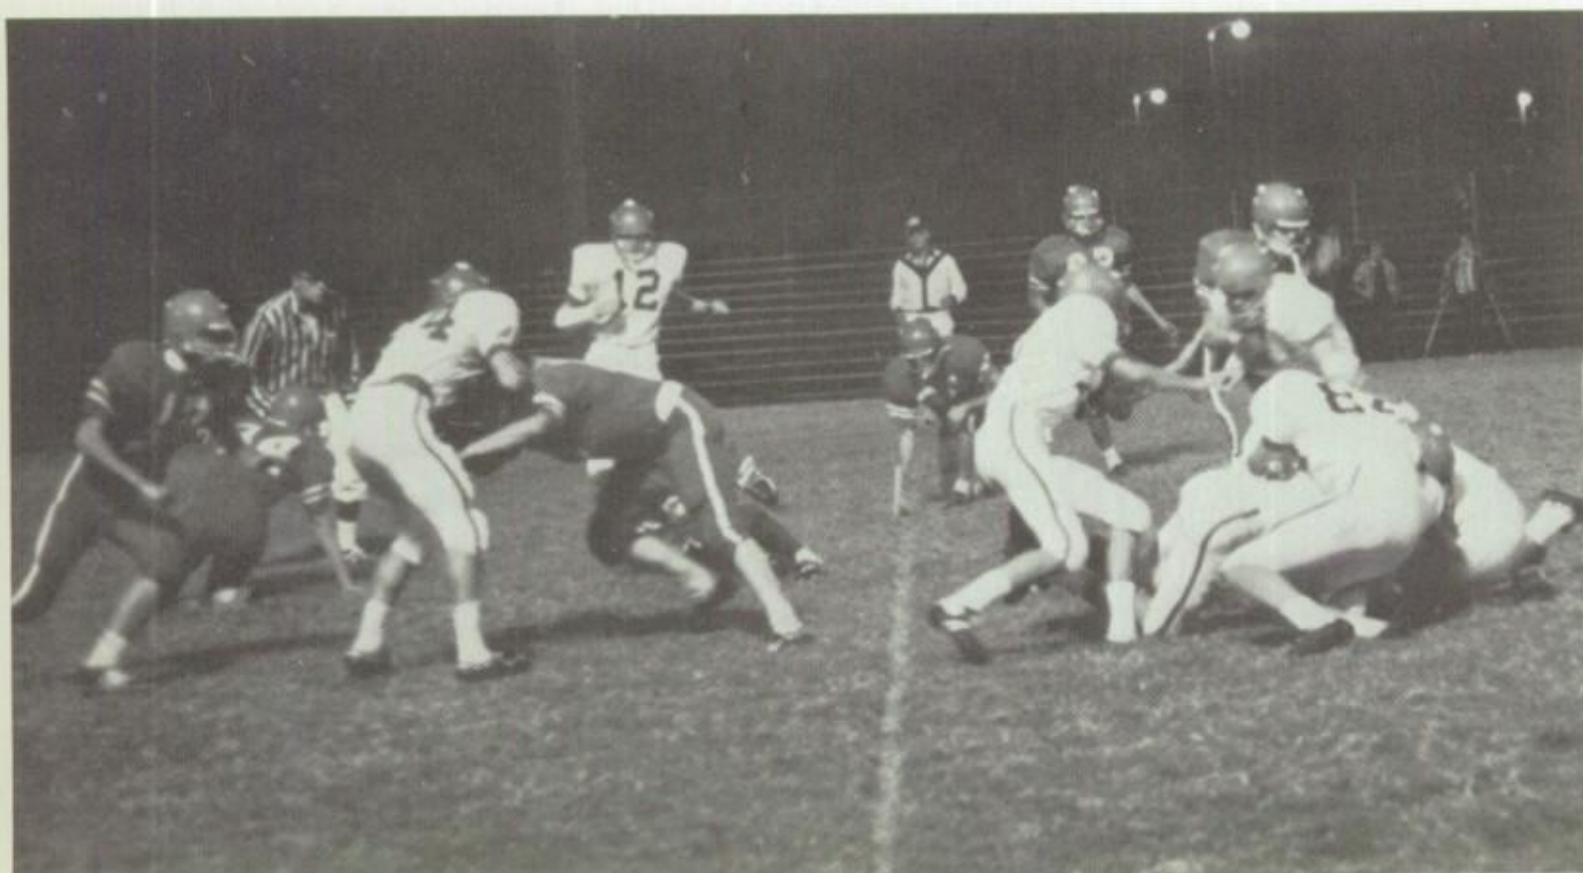

Paul Forsythe is in on this Grapevine tackle.

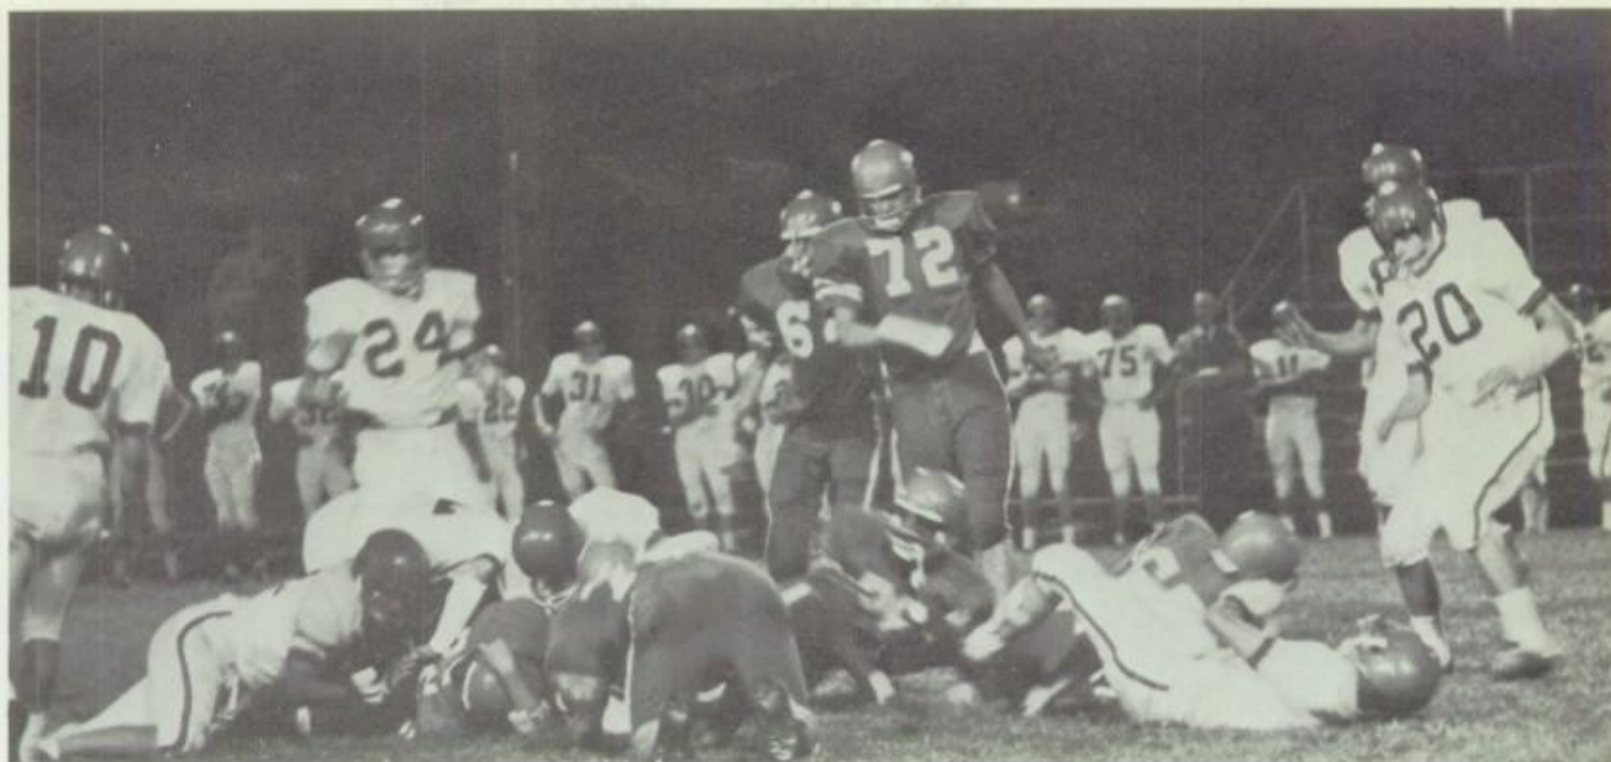

Grapevine scored first but they couldn't maintain the lead. Phil Spurrier made the first Mustang TD but the try for extra points was no good and the score stood 6-6. Not too much later, Kendall Mackey scored after a 47 yard drive. It wasn't until mid-way in the third quarter that the "B" team scored again. Mackey hit Doug McSwane from the 14, but the try for extras failed again. The final Pony TD came after a Grapevine fumble. Mackey scored again and Bruce Higdon made the two extras. The final Grapevine score came on a screen pass. The game ended 26-12.

Mustang Over Grapevine 26-12

Mustang defense stops Terrell's drive.

This Mustang is reluctant to let the Grapevine player stop his drive.

The most sensational game of the season took place in Greenhill, Texas. The score was unbelievable. Pearce made one touchdown after another and they racked up a total of nine for the four quarters. The try for extra points never failed. The score is misleading in that the Ponies had five touchdowns called back. No complaints were heard from the Richardson side because 72-0 is a great winning margin.

Mike Chambers was the recipient of the "Perseverance" award for the second year in a row.

The "B" Team turned out a very productive year with Jerry Bishop as coach as they compiled an impressive 10-2 mark in district competition. Heading the Mustang stampede were Jeff Paul, Kendall Mackey, Matt McChesney, Gary Monroe, Don Champion, and Bruce Higdon. Along with the regular starters, they had a strong second string which included Doug Fail, Steve Davis, Doug McSwane, Steve Gudbjartsson, and Mike Moore. With a year of experience under their belts, the "B" Team players are good prospects for coach Royce Cooper's Varsity squad next year.
